Estuario de aguas y culturas

The image features a series of wind turbine silhouettes against a sunset sky. The turbines are arranged in a line, with their blades and towers clearly visible against the bright, low sun. The sky transitions from a pale yellow near the horizon to a deep blue at the top. The overall scene is a silhouette of a wind farm at dusk.

Cuando despeina el viento de la historia

An aerial photograph of a river valley. The river flows from the top left towards the bottom right. A town is built along the riverbank, with several buildings visible. The surrounding area is densely forested. The text "Los ríos que encauzan la libertad" is overlaid in blue, italicized font across the upper right portion of the image.

Los ríos que encauzan la libertad

La voz de la tierra y del alma

Borocotó que sale . . . ¡Chás, chás!

La fragancia de la poesía

La celeste que me ganó el corazón

... por eso siempre vuelvo a mi casa
